

ENVIRONMENTAL POLICY

Marine & Industrial Marketing manufacture and supply Rapp-it Pipe Repair Systems to clients globally in the mining, processing, industrial, oil and gas, agricultural and marine industries.

Our services include sales, marketing, and wholesale distribution of their products, as well as technical support and training on using Rapp-it Pipe Repair Systems.

Marine & Industrial Marketing embraces the principle of sustainable development, namely development which meets the needs of the present without compromising the ability of future generations to meet their own needs. We believe this principle is fundamental to Marine & Industrial Marketing's continued success and growth.

To minimise our impact on the environment, Marine & Industrial Marketing has developed and implemented an Environmental Management System complying with the ISO 14001:2015 Environmental Management Standard.

We are committed to pursuing industry specific best practice in environmental performance as we acknowledge that our stakeholders expect responsible environmental practice by our business.

Specifically Marine & Industrial Marketing is committed to:

- ✓ Conducting our operations to minimise environmental risk and, wherever practicable, eliminate adverse environmental impacts
- ✓ The protection of the environment and the setting of rigorous environmental objectives, particularly with regards to:
 - efficient use of energy (including appropriate use of alternative fuels, conservation of water, minimisation and recycling of wastes, prevention of pollution)
- ✓ Fulfilling our compliance obligations regarding relevant environmental legislation, regulations, standards, and codes of practice as the absolute minimum requirement
- ✓ Conducting business with organisations who have a commitment to the values and objectives contained in this environmental policy
- ✓ Continual improvement of the environmental management system to enhance environmental performance

Through communication and training, our employees and contractors will be encouraged and assisted to enhance Marine & Industrial Marketing's environmental awareness and performance.

All Marine & Industrial Marketing's personnel are required to work towards the fulfilment of the Environmental Management System, and management will regularly review this policy, and the other elements of the system, in order to maintain its suitability and effectiveness.
